MSME Banking

Introduction

Zambia Industrial Commercial Bank Limited (ZICB) was incorporated on 31st August 2017 and opened to the public on 1st August 2018. The Bank was created with a vision to contribute towards Zambia's economic development with a focus on industrialisation and commercialisation of local business enterprises.

The Bank is 100% locally owned and its key shareholders include the National Pension Scheme Authority (NAPSA) through its investment company - NAPSA Investment Holding Limited (NAPSA-IH), the Industrial Development Corporation Limited (IDC), and the Workers' Compensation Fund Control Board.

Shareholding structure

NAPSA Investment Holdings limited (NAPSA-IH)	64.27%
Industrial Development Corporation (IDC)	30.21%
Workers Compensation Fund Control Board	4.74%
Mahdi Manufacturing Ltd	0.30%
Guardian Insurance Brokers	0.24%
Davies/Angela Kabuswe	0.23%

Supporting the Industrialization and commercialization of the Zambian economy.

+Our Vision

To be the preferred bank in our chosen segments supporting commercialisation, industrialisation and growth of our customers.

+Our Mission

To support our customers' wealth creation and growth through provision of customer centric banking solutions to our chosen segments pivotal to commercialisation and industrialisation of the Zambian economy.

+Our Focus

ZICB has been set up for the primary purpose of supporting the growth of local businesses. The Bank will also extend support to its corporate clients' value chain predicated by its relationship with the corporate.

Our Values

We are driven by Responsiveness, Innovation, Teamwork, Trust, Teamwork and Excellence. These values guide us in delivering solutions that satisfy and delight our customers. We always aim to live up to these values in our work, from design to support. That's how we make tomorrow possible for our customers.

We invest in our staff because we believe people are our greatest asset and our brand ambassadors.

He holds a PhD in Sustainable Entrepreneurship with a bias in Sustainability from Vrije Universiteit Amsterdam, a Master of Science in Project Management from the University of Leeds, and a Bachelor of Science in Project Management from CBU. Dr. Choongo has held various positions at CBU, including Coordinator of the Graduate School, Head of Department – Operations and Supply Chain Management, Project Manager, and Interim Director – Projects, Innovations and Products. His teaching responsibilities at graduate and undergraduate levels cover various courses, including management theory and practice, leadership and corporate governance, project management, risk management, monitoring and evaluation, contract management, and sustainable procurement. Dr. Choongo's main research focus includes entrepreneurship and small business management focusing on sustainability, leadership, business growth, and corporate social responsibility (CSR). He has published research work in international peer-reviewed journals and has done consultancy work for the Amsterdam Institute for International Development (AIID) and the Work Bank. He has undertaken Grant Writing work for the Volkswagen Foundation, and the Ministry of Foreign Affairs of the Netherlands and NUFFIC. Among his numerous leadership responsibilities, Dr. Progress Choongo is the Editor of the International Journal of Sustainable Development Research and the Reviewer of the International Review of Entrepreneurship Journal. He is also a member of the CBU Centre of Excellence Technical Committee and the Strategic Committee for the Copperbelt University Special Purpose Vehicle. Dr. Choongo has been a leader/Board member of the Seventh Day Adventist Church Kitwe Central since 2009.

Mr. Ngenda Nyambe

Chief Executive Officer and
Executive Director

Mr. Ngenda Nyambe is the Chief Executive Officer of Zambia Industrial Commercial Bank (ZICB) and serves as an Executive Director on the Bank's Board of Directors. He began his banking career at Stanbic Bank and has since held senior leadership positions at several leading financial institutions, including Standard Chartered Bank Zambia Plc, Barclays Bank Zambia Plc (now Absa Bank Zambia), and Zambia National Commercial Bank Plc. Beyond his executive roles, Mr. Nyambe has also contributed to the industry through various corporate governance positions, serving as a Non-Executive Director at Ecobank Zambia Limited, Indo-Zambia Bank Limited, and other institutions in both the private and public sectors. A results-driven leader, Mr. Nyambe is recognized for his strategic insight and consistent contribution to the achievement of institutional goals.

Ms. Mankolo Beyani

Non-Executive Director

Ms. Mankolo Beyani has more than 25 years of combined work experience in the financial sector. She began her career in 1995 as a Management Trainee at Indo-Zambia Bank Limited where she worked in various portfolios of the bank with her last assignment being Manager in the foreign business department in 2002. She then moved to the Bank of Zambia (BOZ) where she worked for 18 years, holding various supervisory roles in the supervision and regulation of both banks and non-bank financial institutions in the financial institutions' supervision function. Ms. Beyani served as the Assistant Director for Examination and Surveillance and as Assistant Director for Regulatory Policy, Licensing and Liquidations. Earlier in her Central Bank career, Ms. Beyani worked as a Senior Macro-prudential Analyst, and as a Financial Analyst in the Bank Supervision Department. She earned her Bachelor of Arts Degree (Economics) from the University of Zambia in 1994 and her Master's Degree (International and Development Economics) from the Berlin University of Applied Arts and Sciences in Germany in 2005.

ZICB Sustainable Finance banking business is designed to help clients achieve their financial objectives while also promoting environmental, social, and governance (ESG) goals.

Below are some key components that demonstrate our commitment to promoting sustainable development and helping our clients achieve their ESG objectives on our sustainable finance offering:

➤ Green Financing

This includes green financing options, such as loans and bonds for renewable energy projects, energy-efficient buildings, and sustainable agriculture. We also finance projects that promote biodiversity, water conservation, and waste reduction.

➤ ESG Risk Management

We conduct rigorous ESG risk assessments to identify and manage the ESG risks associated with our clients' activities. This includes assessing the impact of clients' operations on the environment and society, as well as their governance practices.

➤ Social Finance:

This refers to our financial products and services that address social issues, such as poverty, education, and healthcare. We offer products such as payday loans, affordable housing finance, and social impact bonds.

➤ ESG Integration:

We integrate ESG factors into our investment and lending decision-making processes. This involves analysing the ESG risks and opportunities associated with each investment and lending opportunity, and considering how these factors could impact long-term financial performance.
